Cylinders

- NFPA Tie-Rod Cylinders
- Welded Cylinders
- Mill Duty Cylinders

YUKEN

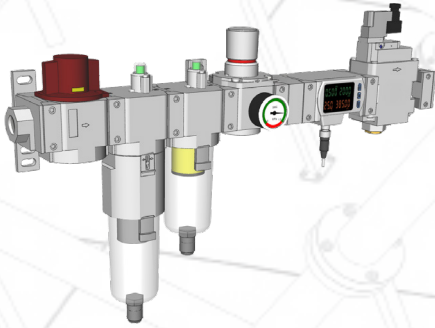

- Directional Valves
- Flow Controls
- Pumps
- Servo Valves

Ask us about our Assembly and Kit programs

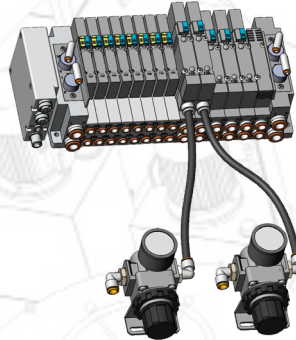

Locally owned and proudly serving North and South Carolina since 1977, Scott Equipment Company stocks a wide range of automation products and provides engineering expertise at every level. From end users to machine builders and integrators, our Carolina-based team delivers custom solutions that streamline projects, reduce build time, and simplify integration helping you bring automation systems to life with confidence.

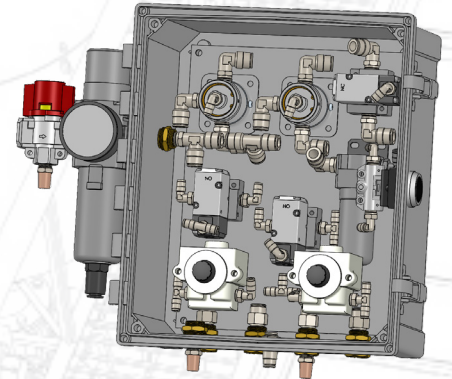

WHAT CAN WE DESIGN AND BUILD FOR YOU?

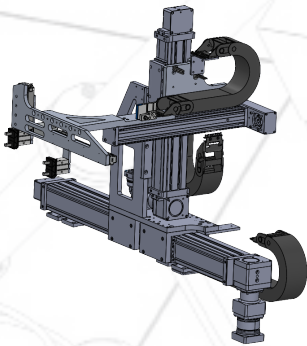

Custom Air Prep Assemblies

Valve Manifolds

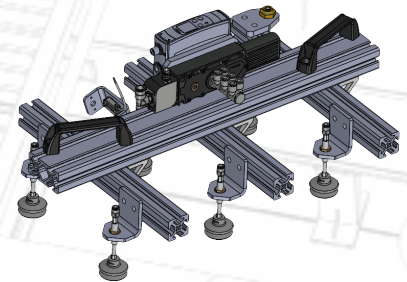

Pneumatic Control Panels

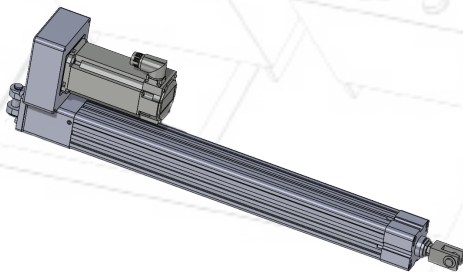

Multi-axis Solutions
